e) In claim 17, line 6, delete "the" between "with" and "eleventh" and replace with --a--.

***Allowable Subject Matter***

2. Claims 1, 3-5, and 7-18 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The closest prior art of record, Katayama et al., fails to disclose wherein the generator for generating the second control signal comprises a third and a fourth transistor of which first and second main electrodes are coupled to each other and which first main electrodes are further coupled to a first main electrode of a fifth transistor along with all the other limitations as called for in claims 1 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
